PUBLIC PARTICIPATION

Toni Henderson of 10930 Cropp Street spoke to the Trustees about the trees located on the right-of-way at her residence. She said the trees are in danger of being blown over by storms and she wants the Trustees to remove them. The Trustees explained that the township does not own trees, and the township can only remove them if they are a hazard to the township road. The property is owned by Beryl Elliott and the Trustees encouraged Ms. Henderson to contact him to see if he would remove them.

CORRESPONDENCE/COMMUNICATION

Mr. Darbyshire reported:

- 1) He was contacted by Jason Vaughn of Camelot Hill about an issue with a culvert diverting rain run-off into his yard. Mr. Darbyshire made a motion to fix the ditch by draining the run-off to the next culvert and sealing off the one dumping into Mr. Vaughn's yard. Motion seconded by Mr. Bethel. All voted yes. Motion passed.

The Fiscal Officer reported:

A recent report from the Ohio Township Association (OTARMA) suggested that the method currently used by Twin Township to reimburse employees and officials for health care premiums has been changed by the Affordable Care Act. OTARMA reported the amounts are now considered taxable fringe benefits. The Fiscal Officer contacted the IRS to verify this and spoke to John Darr. Mr. Darr is aware of the ruling and said at this time, we should continue as we have been doing until the government makes an official decision that this has been interpreted correctly. When a definitive decision has been made, Mr. Darr will contact OTARMA to publish an explanation in their newsletter.
